Notes:-

- 1 The above financial results have been prepared in accordance with recognition and measurement principles of the Indian Accounting Standards as prescribed under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016. Further, these financial results also have been prepared in accordance with the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended.
- 2 The Company's business activity falls within a single primary business segment of "retail" and there are no separate reportable segments as per Ind AS 108 "Operating Segments". Company's operations are only confined in India.
- 3 The Company has incurred a cash loss of ₹ 234.07 lakhs during the quarter ended June 30, 2024. Further, its current liabilities exceed its current assets which indicate a material uncertainty exists that may cast a significant doubt on the Company's ability to continue as a going concern. In the current period, the Company has raised funds through issue of share warrants to improve its liquidity position. Further, the Company is committed to improve its operational efficiency and has taken various initiatives to boost sales and reduce cost. These initiatives will yield desired results and the management is confident that the networth will turn positive in the near future and yield sustainable cash flows to meet all its obligations. Accordingly, the financial results of the Company have been prepared on a going concern basis.
- 4 9% Non-Cumulative Redeemable Preference Shares of ₹ 100/- each ("NCRPs") aggregating to ₹ 630 lakhs held by Future Enterprises Limited ("FEL") were due for redemption on December 8, 2022. As per the provisions of the Companies Act, 2013 and rules made thereunder, the redemption of any NCRPs to be made out of only profits available to be distributed as dividend or proceeds of any fresh issue of shares made for the purposes of such redemption. As the Company has not earned any profit during the current quarter / previous year and no proceeds of any fresh issue of shares made for the purposes of such redemption, the Company could not redeem the NCRPs. Till these NCRPs are not redeemed, it would continue as unredeemed preference capital in accounts of the Company till redemption.
- 5 a. During the year ended March 31, 2023, tenure of a lease rental agreement entered by the Company with a related party (Lessor) expired. In the past, the Company has given security deposits of ₹ 10,100 lakhs pursuant to such agreement. The Company still holds the possession of the moveable assets (PPE) taken by it under this agreement for its usage. The Company is following up with the lessor to recover the amount of security deposits. During the year ended March 31, 2023, the Company has obtained a valuation report of such assets by an independent professional firm. The Company believes that these receivables are secured by the assets, which are in its possession, whose value as determined by the independent valuer is higher than the security deposits and hence the Company has considered the security deposits as secured and good and fully receivable. Further, till the time these assets are in the possession of the Company, which will be surrendered on receipt of the amount of ₹ 10,100 lakhs, as conveyed by the Company to such related party, no lease rental charges will be paid post the closure of the tenure of this agreement. Accordingly, no provision towards lease rental, if any, to be claimed by such related party in the future has been provided in the books of accounts. Further, balances of payables and receivables are subject to confirmations.

b. On the above matter, the statutory auditors have modified their audit opinion in their previous year's audit report. This matter is still not resolved and consuming time as an Interim Resolution Professional has been appointed for the entity of the Lessor by Hon'ble National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016. The Company is deliberating to take appropriate steps in such circumstances. The Company will also take steps to obtain the balance confirmations.
- 6 Pursuant to the Shareholders' approval in the Extraordinary General Meeting on April 27, 2024, the Company on May 10, 2024 issued and allotted 45,07,629 Convertible Warrants at a price of ₹ 43.26/- each Warrant to the Specified Investor - Bennett Coleman And Company Limited, on preferential allotment basis, on receipt of 25% (₹ 487.50 lakhs) of the total consideration price (₹ 1,950 lakhs). The Warrants shall be converted into equity shares at a conversion price of ₹ 43.26/- per equity share on receipt of the remaining consideration of 75% within a period of 18 months from the date of allotment of Warrants.

- 7 During the quarter, the performance of the Company was abnormal due to shortage of inventory and liquidity. Most of the stores of the Company were running into losses during this period, which may trigger up the requirement for providing impairment on Right of Use (ROU) Assets of ₹ 10,251.53 lakhs. However, as management has raised funds of ₹ 487.50 lakhs through Preferential Issue in the quarter ended June 30, 2024 and is in the process of raising further funds of ₹ 4,800 lakhs through outstanding balances of issued warrants, it is confident that the liquidity and profitability position of the Company will improve by the end of current financial year. And hence, it envisages that there may not be a need arising to provide any impairment on ROU in the current quarter / current financial year.
- 8 Resolution Professional (RP) of Future Lifestyle Fashions Limited ("FLFL") has filed an Interlocutory Application against the Promoter, Mr. Kishore Biyani and Praxis Home Retail Limited ("Respondents") before Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT"), in the matter relating to Corporate Insolvency Resolution Process initiated against FLFL, which is received by the Company on 4 January 2024. In the said Interlocutory Application filed against the Respondents, the RP has prayed to NCLT to treat the transactions carried out by the erstwhile directors of the Corporate Debtor as fraudulent transactions, in accordance with Section 66 of the Code and has sought directions from NCLT directing the Respondents to pay the amount due to FLFL to the tune of ₹ 23.21 Crore along with interest. The Company has already submitted its reply and denied all the claims. Till the time the claim is not substantiated, it is considered as contingent liability.
- 9 Other Income for the quarter ended June 2024 includes Rs. 1,615.37 lakhs on account of write back of trade payables and provisions (including write back of related parties balance and provisions of Rs. 537.14 lakhs).
- 10 The figures for the quarter ended March 31, 2024 are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the third quarter of the year ended March 31, 2024.
- 11 Previous period/year figures have been regrouped/reclassified to make them comparable with those of current period/year.
- 12 The above results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on August 12, 2024. The results for the quarter and year ended June 30, 2024 have been audited by the statutory auditors.
- 13 The financial results will be available on the website of the Company - "www.praxisretail.in" and on the websites of BSE (www.bseindia.com) and NSE (www.nseindia.com).

Independent Auditors' Limited Review Report on Unaudited financial results of Praxis Home Retail Limited for the quarter ended June 30, 2024, pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 (as amended)

To the Board of Directors of Praxis Home Retail Limited

1. We have reviewed the accompanying statement of unaudited financial results of **Praxis Home Retail Limited** ('the Company') for the quarter ended June 30, 2024 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Because of the matters described in the paragraph 4 below, we were not able to obtain sufficient evidence to provide a basis for conclusion on the Statement and hence we do not express a conclusion on the Statement.

4. Basis for Disclaimer of Conclusion

a) As stated in note no. 5(a) of the financial results of the Company, it has "Deposit receivables towards matured lease agreement (which were given in the nature of security deposit)" from a related party of an amount of Rs. 10,100 lakhs. The Company has not identified & recognised loss allowance for expected credit losses (ECL) on such other receivables, which is not in conformity with the requirements of Ind AS 109 "Financial Instruments". Further, we are informed by the management that till date the Company has not received any appropriate / adequate response from the lessor towards refunding such amount. Considering these facts and the available financial position / statement of such related party where there is an indication about material uncertainty towards its ability to continue as going concern and where an Interim Resolution Professional has been appointed by Hon'ble National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016 and other relevant surrounding circumstances, we are unable to determine and quantify whether this amount will be fully recoverable and it requires any provision of ECL. These facts also give rise to material uncertainty as regards possible material adjustments that may be required to be made to the values of recorded security deposits and unrecorded assets and tax implications, if any, arising on account of settlement of such transactions, which could not be recorded in the financial results on account of these being not readily ascertainable. Pursuant to non-receipt of response from the lessor towards refunding the specified amount and non-determination of the ECL provision and availability of balance confirmation, its impact on the losses and EPS of the Company for the quarter ended June 2024 and on the other equity as on the balance sheet date, is not ascertainable. This matter was also modified in our report on the financial statement for the year ended March 31, 2024.

b) Balances of trade payables aggregating to Rs. 8,781.28 lakhs are subject to confirmations and reconciliations, if any, amounts of which are not ascertainable. This matter was also modified in our report on the financial statements for the year ended March 31, 2024.

c) As stated in note no. 9 of the financial results, during the quarter the Company has written back certain trade payables and provisions aggregating to Rs. 1,615.37 Lakhs (Including write back of related parties balance and provisions of Rs. 537.14), reasons of which are not known to us. Hence, we are unable to comment on the correctness of these values, and if any adjustments are required to the said balances as on the June 30, 2024 and related disclosures in the financial results.

d) As stated in note no. 7 of the financial results wherein it is stated that the Company has not created provisions towards impairment on Rights of Use assets (ROU), having value of Rs. 10,251.53 lakhs as on June 30, 2024. The Company has incurred cash losses during the year, its net worth is completely eroded and its current liabilities exceed current assets. In spite of these indicators no assessment of impairment has been carried out. Hence, we are unable to comment upon the impact arising on the loss and EPS for the quarter ended June 30, 2024 and on the carrying value of ROU & other equity as on June 30, 2024.

e) We draw attention to note 3 in the financial results which states that during the quarter, the Company has incurred a cash loss of Rs. 234.07 lakhs and its net worth is negative as on June 30, 2024. Further, the Company's current liabilities exceeded its current assets. The Company has also received notice for application under the Insolvency and Bankruptcy Code 2016 from one of the operational creditors. The above situation indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. In view of above, we are unable to obtain sufficient appropriate audit evidence as to whether the Company will be able to service its debts, realize its assets and discharge its liabilities as and when they become due over the period of next twelve months. Accordingly, we are unable to comment on whether the Company will be able to continue as Going Concern.

5. Disclaimer of Conclusion

We do not express conclusion on the accompanying Statement of the Company. Because of the significance of the matter described in the Basis for Disclaimer of Conclusion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for our conclusion on the Statement.
