

**Independent Auditor's Report on the Quarterly and Year to Date Financial Results of Praxis Home Retail Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

**To the Board of Directors of Praxis Home Retail Limited**

1. We were engaged to audit the accompanying annual financial results ('the Statement') of Praxis Home Retail Limited ("the Company") for the quarter and year ended March 31, 2025 attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. Because of the significance of the matter described in the Basis for Disclaimer Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an opinion as to whether the financial results:
  - i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
  - ii. we do not express an opinion on accompanying financial results of the Company.

**Basis for Disclaimer of Opinion**

3. a) As stated in note no. 5(a) of the financial results of the Company, it has security deposit receivable towards matured lease agreement from a related party of an amount of Rs. 10,100.00 lakhs. The Company has not identified & recognized loss allowance for expected credit losses (ECL) on such other receivables, which is not in conformity with the requirements of Ind AS 109 "Financial Instruments". Further, we are informed by the management that till date the Company has not received any appropriate / adequate response from the lessor towards refunding such amount. Considering these facts and the available financial position / statement of such related party where there is an indication about material uncertainty towards its ability to continue as going concern and where an Resolution Professional (RP) has been appointed by Hon'ble National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016 and other relevant surrounding circumstances, we are unable to determine and quantify whether this amount will be fully recoverable and it requires any provision of ECL.

Further, on January 9, 2025 the RP of Future Enterprises Limited (FEL) has filed an Interlocutory Application (IA) in Company Petition (IB), before the National Company Law Tribunal, Mumbai Bench against, amongst others, the Promoter of the Company and the Company. Under the said IA, the RP has, inter alia, claimed lease rental amounting to Rs.4,577.35 lakhs from the Company for the in-store retail infra-assets leased by FEL to the Company.

These facts also give rise to material uncertainty as regards possible material adjustments that may be required to be made to the values of recorded security deposit, provision for lease rental on in-store retail infra-assets, unrecorded assets and tax implications, if any, arising on account of settlement of such transactions, which could not be recorded in the financial results on account of these being not readily ascertainable. Pursuant to non-receipt of response from the lessor towards refunding the specified amount and non-determination of the ECL provision, availability of balance confirmation and non-provision for lease rental, its impact on the losses and EPS of the Company for the quarter and year ended March 31, 2025 and on the other equity as on the balance sheet date, is not ascertainable. This matter related to expected credit losses on security deposit was also disclaimed in our report on the financial statement for the year ended March 31, 2024.

- b) Balances of trade payables aggregating to Rs. 9,417.23 lakhs are subject to confirmations and reconciliations, if any, are not ascertainable. We are unable to comment on the correctness of these figures and if any adjustments are required to the said balances as on the March 31, 2025 and related disclosures in the Financial Statements. This matter was also disclaimed in our report on the financial statements for the year ended March 31, 2024.

- c) As stated in note no. 8 of the financial results, for the quarter and year ended the Company has written back certain trade payables and provisions aggregating to Rs. Nil and Rs. 3,770.86 lakhs (Including write back of related parties balance and provisions of Rs. Nil and Rs. 2,693.72 lakhs) for the quarter and year ended March 31, 2025, respectively, reasons of which are not known to us. Hence, we are unable to comment on the correctness of these values, and if any adjustments are required to the said balances as on the March 31, 2025 and related disclosures in the financial results. The above amount includes amount due to one of the related parties which is under Corporate Insolvency Resolution Process whose Resolution Professional has raised a claim of Rs. 2,321 lakhs along with interest which has been denied by the Company and not recognized in the books, as explained in note no. 7. This matter was also disclaimed in our report on the financial statement for the year ended March 31, 2024.
- d) As stated in note no. 6, the performance of the Company was affected due to shortage of inventory, liquidity and most of the stores of the Company were running into losses, which may trigger the requirement for evaluating impairment on Right of Use (ROU) Assets of the financial results having value of Rs. 12,581.29 lakhs as on March 31, 2025. In spite of these indicators no assessment of impairment has been carried out. Hence, we are unable to comment upon the impact arising on the loss and EPS for the year ended March 31, 2025 and on the carrying value of ROU & other equity as on March 31, 2025. This matter was also disclaimed in our report on the financial statements for the year ended March 31, 2024.
- e) During the year ended March 31, 2025, the Company has closed certain stores and inventory at few of these closed stores amounting to Rs 111.32 lakhs is under the control of the respective lessors, and the Company was unable to physically verify such inventory and make appropriate provision for the same. Due to this limitation, we were unable to obtain sufficient and appropriate audit evidence to determine and quantify whether the value of Inventory will be fully recoverable and it requires any provision and hence, we are unable to comment upon the impact arising on the loss and EPS for the year ended March 31, 2025 and on the carrying value of Inventory & other equity as on March 31, 2025.
- f) We draw attention to note no. 3 in the financial results which states that during the year ended March 31, 2025 the Company has incurred a cash loss of Rs. 4,542.46 lakhs and its net worth is negative as on March 31, 2025. Further, the Company's current liabilities exceeded its current assets by Rs 9,310.98 lakhs. The Company has also received notice for application under the Insolvency and Bankruptcy Code 2016 from one of the operational creditors. The above situation indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. In view of above, we are unable to obtain sufficient appropriate audit evidence as to whether the Company will be able to service its debts, realize its assets and discharge its liabilities as and when they become due over the period of next twelve months. Accordingly, we are unable to comment on whether the Company will be able to continue as Going Concern. This matter was also disclaimed in our report on the financial statements for the year ended March 31, 2024.

- 5 a) During the year ended March 31, 2023, tenure of a lease rental agreement entered by the Company with a related party - Future Enterprises Limited (Lessor) pursuant to the demerger of business and assignment of the original lease arrangement expired on November 30, 2022. The Company has security deposits of ₹ 10,100 lakhs receivable from the Lessor. The Company continues to hold the possession of the Stores leased assets (PPE) from the Lessor. The Company has made follow up with the Lessor for transfer of Stores leased assets and recovery of security deposit amount. In the year 2023, the Company obtained a valuation report from an independent professional firm under which the value of these assets were more than the amount of security deposit. The Company has considered the security deposits amount is good and adequately receivable against realizable value of these assets. Further, no lease rental charges are liable to be paid in view of expiration of the agreement with the Lessor. Accordingly, no provision towards lease rental has been provided in the books of accounts. Further it may also be mentioned that post expiry of lease term the Lessor has been referred under Corporate Insolvency Resolution Process with effect from February 27, 2023.
- b) During the quarter, the Resolution Professional ("RP") of the said Lessor has filed an Interlocutory Application (IA) in Company Petition (IB) No.513/NCLT/MB/2022 on January 9, 2025, before the National Company Law Tribunal, Mumbai bench (NCLT) under the IBC, 2016 against, amongst others, the Promoter of the Company and the Company. In the said IA, the RP has, inter alia, claimed the lease rental amounting to ₹ 4577 lakhs from the Company for the in-store retail infra assets leased by the Lessor to the Company. The said IA is challenged on the grounds that the RP has relied upon the unauthenticated, unsigned and incomplete Transaction Audit report. The Company is in the process of filing its reply disputing all the claims. Till the time the claim is not substantiated, it is considered as contingent liability.
- c) On the matter related to the security deposits, the statutory auditors had modified their audit opinion in their previous year's audit report. This matter is still pending for disposal by NCLT. The Company shall continue to take appropriate steps as per legal advice.
- 6 During the Year, the performance of the Company was affected due to shortage of inventory and liquidity. Most of the stores of the Company were running into losses, which may trigger the requirement for providing impairment on Right of Use (ROU) Assets of ₹ 12,581.29 lakhs. However, the Company raised funds of ₹ 1,687.50 lakhs through Preferential Issue (as referred in Note 10 and 11) during the year ended March 31, 2025 and is in the process of raising further funds through Right Issue (as referred in Note 13), the management is confident that the liquidity will improve in future. Hence, it envisages that any impairment on ROU in the current period may not be needed.
- 7 Resolution Professional (RP) of Future Lifestyle Fashions Limited ("FLFL") has filed an Interlocutory Application against the Promoter and the Company ("Respondents") before Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT"), praying to treat the transactions carried out by the erstwhile directors of FLFL as fraudulent transactions in accordance with Section 66 of the IBC and directing the Respondents to pay the amount due to FLFL to the tune of ₹ 2,321 lakhs along with interest. The Company has denied all claims and filed its reply. Till the time the claim is not substantiated, it is considered as contingent liability.
- 8 Other Income for the year ended March 31, 2025 includes ₹ 3,770.86 lakhs on account of write back of trade payables and provisions (including write back of related parties balance and provisions of ₹ 2693.72 lakhs).

These Warrants shall be converted into equity shares at a conversion price of ₹ 43.26 per equity share on receipt of the remaining consideration of 75% within a period of 18 months from the date of allotment of Warrants i.e. November 8, 2025.
- 11 During the year, the Company received an amount of ₹1,200 lakhs towards remaining subscription amount upon conversion of warrants and accordingly, the Company allotted 100 lakhs equity shares at an issue price of ₹16/- per share (including premium of ₹11/- per share) on October 15, 2024.
- 12 During the year, the Company granted 5 lakhs stock options to the eligible employee under the ESOP-2024. These stock options shall entitle the option grantee to subscribe to the equity shares in the Company after vesting and within the exercise period.
- 13 During the year, the Board of Directors of the Company had approved raising of funds by way of issue of new equity shares on Rights basis. The Company has received in-principle approvals for said Rights issue from the Stock Exchanges. The Company has already announced record date however as on date Company is yet to announce opening of Rights Issue for subscription, as management is waiting for appropriate time for the same.
- 14 During the quarter, warrant holders did not exercise the option to convert 300 lakhs equity share warrants within the conversion period ended on February 2, 2025. These equity share warrants were cancelled by the Company and application money amount of ₹1,200 lakhs received on August 2, 2023 was forfeited in terms of the issue of said warrants and treated as Capital Reserve.
- 15 After close of the financial year, application made by the Company to the Stock Exchanges with respect to the issue of 52,88,900 equity shares on preferential basis to the trade creditors of the Company against the trade liabilities, BSE closed the said application of the Company without granting approval for issue of such equity shares. Accordingly, the Company has already announced that the said preferential issue could not be undertaken in absence of in-principle approvals of the Stock Exchanges.
- 16 In view of weak financial position and upon the requests made by the Company, by a few lenders of the loans which are also related parties of the Company, have waived the interest accrued on the loan given by them. Accordingly, provisions made for the accrued interest since April 1, 2024 aggregating to ₹ 466.33 lakhs has been reversed and no further provisions were made for the quarter ended March 31, 2025.
- 17 The effect of the weighted average number of potential equity share on account of equity warrants are anti-dilutive in nature for the year ended March 31, 2025 and March 31, 2024, the same is not considered in the calculation of weighted average number of equity shares for the diluted EPS.

Sr.	Audit Qualifications
1	<p><b>a. Details of Audit Qualification:</b></p> <p>As stated in note no. 5(a) of the financial results of the Company, it has security deposit receivable towards matured lease agreement from a related party of an amount of Rs. 10,100.00 lakhs. The Company has not identified &amp; recognized loss allowance for expected credit losses (ECL) on such other receivables, which is not in conformity with the requirements of Ind AS 109 "Financial Instruments". Further, we are informed by the management that till date the Company has not received any appropriate / adequate response from the lessor towards refunding such amount. Considering these facts and the available financial position / statement of such related party where there is an indication about material uncertainty towards its ability to continue as going concern and where an Resolution Professional (RP) has been appointed by Hon'ble National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016 and other relevant surrounding circumstances, we are unable to determine and quantify whether this amount will be fully recoverable and it requires any provision of ECL.</p> <p>Further, on January 9, 2025 the RP of Future Enterprises Limited (FEL) has filed an Interlocutory Application (IA) in Company Petition (IB), before the National Company Law Tribunal, Mumbai Bench against, amongst others, the Promoter of the Company and the Company. Under the said IA, the RP has, inter alia, claimed lease rental amounting to Rs.4,577.35 lakhs from the Company for the in-store retail infra-assets leased by FEL to the Company.</p> <p>These facts also give rise to material uncertainty as regards possible material adjustments that may be required to made to the values of recorded security deposit, provision for lease rental on in-store retail infra-assets, unrecorded assets and tax implications, if any, arising on account of settlement of such transactions, which could not be recorded in the financial results on account of these being not readily ascertainable. Pursuant to non-receipt of response from the lessor towards refunding the specified amount and non-determination of the ECL provision, availability of balance confirmation and non-provision for lease rental, its impact on the losses and EPS of the Company for the quarter and year ended March 31, 2025 and on the other equity as on the balance sheet date, is not ascertainable. This matter related to expected credit losses on security deposit was also disclaimed in our report on the financial statement for the year ended March 31, 2024.</p> <p><b>b. Type of Audit Qualification:</b> Disclaimer of Opinion</p> <p><b>c. Frequency of qualification:</b> Repetitive</p> <p><b>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</b> Not Applicable</p> <p><b>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</b></p> <p><b>(i) Management's estimation on the impact of audit qualification:</b> Nil</p> <p><b>(ii) If management is unable to estimate the impact, reasons for the same:</b></p> <p>The lease rental agreement entered by the Company with a related party (Lessor) expired in fiscal 2023. The Company has also security deposits of Rs. 10,100 lakhs recoverable from such related party. The Company holds possession of the in-store infra assets taken by it under this agreement. The Company has made various follow ups with the Lessor to recover the amount of security deposits. During the fiscal 2023, the Company had obtained a valuation report of such assets by an independent professional firm basis which the Company believes that the assets, which are in its possession, carried value higher than the security deposit amount and has a usable life to deliver such value and hence, the</p>

	<p>Company has considered the security deposits as good and fully receivable. Further, the claim made by the RP amounting to Rs.4,577 Lakh against the Company which, according to the legal advise, is based on inconclusive documents and hence, not tenable in the eyes of law, for which necessary dismissal IA has been filed. In view of this, the management does not foresee any liability arising out of the alleged claim by RP.</p> <p><b>(iii) Auditors' Comments on (i) or (ii) above:</b> Refer our independent auditors report. The impact needs to be ascertained and necessary correction should be incorporated in the financial results.</p>
2	<p><b>a. Details of Audit Qualification:</b> Balances of trade payables aggregating to Rs. 9,417.23 lakhs are subject to confirmations and reconciliations, if any, are not ascertainable. We are unable to comment on the correctness of these figures and if any adjustments are required to the said balances as on the March 31, 2025 and related disclosures in the Financial Statements. This matter was also disclaimed in our report on the financial statements for the year ended March 31, 2024.</p> <p><b>b. Type of Audit Qualification:</b> Disclaimer of Opinion</p> <p><b>c. Frequency of qualification:</b> Repetitive</p> <p><b>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</b> Not Applicable</p> <p><b>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</b></p> <p>(i) <b>Management's estimation on the impact of audit qualification:</b> Nil</p> <p>(ii) <b>If management is unable to estimate the impact, reasons for the same:</b> The Company has already managed to obtain confirmation for more than 60% of trade payables, the Company will further strengthen the reconciliation process.</p> <p>(iii) <b>Auditors' Comments on (i) or (ii) above:</b> Refer our independent auditors report. The impact needs to be ascertained and necessary correction should be incorporated in the financial results.</p>
3	<p><b>a. Details of Audit Qualification:</b> As stated in note no. 8 of the financial results, for the quarter and year ended the Company has written back certain trade payables and provisions aggregating to Rs. Nil and Rs. 3,770.86 lakhs (Including write back of related parties balance and provisions of Rs. Nil and Rs. 2,693.72 lakhs) for the quarter and year ended March 31, 2025, respectively, reasons of which are not known to us. Hence, we are unable to comment on the correctness of these values, and if any adjustments are required to the said balances as on the March 31, 2025 and related disclosures in the financial results. The above amount includes amount due to one of the related parties which is under Corporate Insolvency Resolution Process whose Resolution Professional has raised a claim of Rs. 2,321 lakhs along with interest which has been denied by the Company and not recognized in the books, as explained in note no. 7. This matter was also disclaimed in our report on the financial statement for the year ended March 31, 2024.</p> <p><b>b. Type of Audit Qualification:</b> Disclaimer of Opinion</p> <p><b>c. Frequency of qualification:</b> Repetitive</p> <p><b>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</b> Not Applicable</p> <p><b>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</b></p> <p>(i) <b>Management's estimation on the impact of audit qualification:</b> Nil</p> <p>(ii) <b>If management is unable to estimate the impact, reasons for the same:</b> The liability were written back on account of receivables and other claims against a few related parties and also on account of balance confirmation received from other parties including the related parties.</p>

	<p>(iii) <b>Auditors' Comments on (i) or (ii) above:</b> Refer our independent auditors report. The impact needs to be ascertained and necessary correction should be incorporated in the financial results.</p>
4	<p><b>a. Details of Audit Qualification:</b> As stated in note no. 6, the performance of the Company was affected due to shortage of inventory, liquidity and most of the stores of the Company were running into losses, which may trigger the requirement for evaluating impairment on Right of Use (ROU) Assets of the financial results having value of Rs. 12,581.29 lakhs as on March 31, 2025. In spite of these indicators no assessment of impairment has been carried out. Hence, we are unable to comment upon the impact arising on the loss and EPS for the year ended March 31, 2025 and on the carrying value of ROU &amp; other equity as on March 31, 2025. This matter was also disclaimed in our report on the financial statements for the year ended March 31, 2024.</p> <p><b>b. Type of Audit Qualification:</b> Disclaimer of Opinion</p> <p><b>c. Frequency of qualification:</b> Repetitive</p> <p><b>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</b> Not Applicable</p> <p><b>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</b></p> <p>(i) <b>Management's estimation on the impact of audit qualification:</b> Nil</p> <p>(ii) <b>If management is unable to estimate the impact, reasons for the same:</b> In the current period, the Company has raised funds through issue of warrants and equity shares to improve its liquidity position. Further, the Company has also received necessary approvals for its proposed Rights Issue consummation of which is expected to further improve its liquidity position. The management has been taking various initiatives to increase sales, reduce costs and improve operational efficiency. These initiatives are expected to yield desired results and the management believes that there is no need to create impairment provision on ROU Assets.</p> <p>(iii) <b>Auditors' Comments on (i) or (ii) above:</b> Refer our independent auditors report. The impact needs to be ascertained and necessary correction should be incorporated in the financial results.</p>
5	<p><b>a. Details of Audit Qualification:</b> During the year ended March 31, 2025, the Company has closed certain stores and inventory at few of these closed stores amounting to Rs 111.32 lakhs is under the control of the respective lessors, and the Company was unable to physically verify such inventory and make appropriate provision for the same. Due to this limitation, we were unable to obtain sufficient and appropriate audit evidence to determine and quantify whether the value of Inventory will be fully recoverable and it requires any provision and hence, we are unable to comment upon the impact arising on the loss and EPS for the year ended March 31, 2025 and on the carrying value of Inventory &amp; other equity as on March 31, 2025.</p> <p><b>b. Type of Audit Qualification:</b> Disclaimer of Opinion</p> <p><b>c. Frequency of qualification:</b> Appeared first time</p> <p><b>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</b> Not Applicable</p> <p><b>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</b></p> <p>(i) <b>Management's estimation on the impact of audit qualification:</b> Nil</p> <p>(ii) <b>If management is unable to estimate the impact, reasons for the same:</b> The Company has closed a few stores. However, due to some commercial disputes with the store owners, these inventories are forcefully and illegally withheld by such store owners. The Company has already taken necessary legal steps as well as also resorting to conciliations, but access to these inventories is</p>

	<p>still not available at such stores. Although adequate provisions have been made towards shrinkages, the management is hopeful of recovering and regaining control over these inventories based on its legal applications and mutual negotiations.</p> <p>(iii) <b>Auditors' Comments on (i) or (ii) above:</b> Refer our independent auditors report. The impact needs to be ascertained and necessary correction should be incorporated in the financial results.</p>
6	<p><b>a. Details of Audit Qualification:</b> We draw attention to note no. 3 in the financial results which states that during the year ended March 31, 2025 the Company has incurred a cash loss of Rs. 4,542.46 lakhs and its net worth is negative as on March 31, 2025. Further, the Company's current liabilities exceeded its current assets by Rs 9,310.98 lakhs. The Company has also received notice for application under the Insolvency and Bankruptcy Code 2016 from one of the operational creditors. The above situation indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. In view of above, we are unable to obtain sufficient appropriate audit evidence as to whether the Company will be able to service its debts, realize its assets and discharge its liabilities as and when they become due over the period of next twelve months. Accordingly, we are unable to comment on whether the Company will be able to continue as Going Concern. This matter was also disclaimed in our report on the financial statements for the year ended March 31, 2024.</p> <p><b>b. Type of Audit Qualification:</b> Disclaimer of Opinion</p> <p><b>c. Frequency of qualification:</b> Repetitive</p> <p><b>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</b> Not Applicable</p> <p><b>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</b></p> <p>(iv) <b>Management's estimation on the impact of audit qualification:</b> Nil</p> <p>(v) <b>If management is unable to estimate the impact, reasons for the same:</b> During the year, the Company has raised funds through issue of warrants and equity shares to improve its liquidity position. The warrants issued in the year 2024 on preferential basis are expected to be exercised in current financial year as per their issue terms and would bring further funds into the Company. The Company has also obtained necessary approvals for its proposed Rights Issue which, when consummated, would improve the liquidity position. The Company has also significantly reduced the operational costs by closing down stores having higher loss impact on its accounts and is committed to improve operational efficiency and has taken various initiatives to increase sales. These initiatives are fairly expected to yield desired results and the management is confident that the net-worth will significantly improve in current fiscal and cash flows would be able to meet its obligations. Further, the application filed by an operational creditor is fictitious, lacks merit and hence, chance of its succeeding is the most unlikely in view of the legal pleadings submitted in the matter. Considering all above, the financial results have been prepared on a going concern basis.</p> <p>(vi) <b>Auditors' Comments on (i) or (ii) above:</b> Refer our independent auditors report. The impact needs to be ascertained and necessary correction should be incorporated in the financial results.</p>
